***Response to Restriction Requirement***

Dear Examiner Epperson:

In response to the Restriction Requirement in the above-identified application, mailed June 23, 2005, the Applicants respectfully elect Invention I, claims 21-31. Further, the Applicants respectfully elect the various Species tabulated below. Finally, claims 32-54 have been canceled.

Of course, the numerous elections of Species made herein are made solely for search purposes. The Applicants expressly reserve the right to prosecute species not elected herein in other patent applications claiming the benefit of the filing date of this application. Furthermore, the Applicants understand that upon allowance of a generic claim, they will be entitled to consideration of claims to additional species which are written in dependent form or otherwise include all the limitations of an allowed generic claim. *See* 37 CFR 1.141.

<u>Subgroup</u>	<u>Species Elected</u>	<u>Specific Compound</u>
1	C. Amino acids	$\text{HO}_2\text{C}-(\text{CH}_2)_5-\text{NH}_2$
2	A. Diamines	 1,2-diamino-cyclohexane
3	C. Schiff base-containing moities	

Finally, the Applicants elect the single, specific compound depicted below, which appears in Figure 2 of the instant application. Claims 21-31 read on the elected species.
